Information for Groups & Ski Camps

Processing your order

Tickets must be ordered using the form in the name of the group/school and sent to info@daenk.ch by 3 pm on the day before travel. Minor adjustments to numbers can be made on the day of travel. For bookings of 9 days or more, we require a list of group members including photos.

To simplify the process, you will find the order form for your tickets on the last two pages.

Your day/multi-day tickets will be waiting for you at the ticket office of your choice so you can start your snow sports fun straight away.

Terms of payment/cards

We accept cash and card payments as well as Reka. Invoice on request. We regret that individual (split bill) payments are not possible.

Prices

All prices are in Swiss francs (CHF) and include sales tax (VAT). Prices are subject to change without notice. In addition to the ticket price, a deposit of CHF 5.00 will be charged for the data carrier (KeyCard). The deposit will be refunded in cash when the KeyCard is returned. A KeyCard damaged by the user will be replaced for a processing fee plus a new deposit of CHF 5.00. Please check your cash refund immediately as we cannot rectify errors later.

Please refer to our „General Terms and Conditions“ at www.adelboden-lenk.ch

Loss of tickets

The person responsible for the group receives a list of reference numbers when the tickets are purchased. If a ticket is lost, we need to block that ticket electronically to prevent unauthorised use and issue a replacement. We recommend writing holder names next to the numbers on the receipt. In the event of ticket loss, a processing fee plus a new deposit of CHF 5.00 will be charged.

Misuse of tickets

Each guest is responsible for ensuring they have the correct ticket for their age group. All ski passes are personal and non-transferable. As part of our security measures, all guests must be able to identify themselves with a photographic ID/passport. Misuse of tickets is subject to a minimum fine of CHF 200.-.

Book online and save money with our dynamic pricing system

As an alternative to group and ski camp rates, ski tickets can be purchased in advance through the online webshop. Current prices can be seen, and tickets booked at the www.adelboden-lenk.ch webshop from September onwards. The earlier you buy your ticket, the better the price.

Remember that prices will vary depending on the date and time of booking. There may be price increases before and between your bookings. N.B. Tickets cannot be adjusted or refunded retrospectively if the number of participants changes.

Benefits to you

- By booking early, you can purchase ski tickets at a very competitive price. The ticket price will never go down after your purchase – so don't wait!

Worth knowing

- Tickets cannot be refunded and the number of tickets ordered cannot be adjusted after purchase.
- The longer you wait, the more likely you will pay more.
